

Media Release - Phnom Penh - February 24th 2025

BritCham Cambodia Launches Special BritCham Alumni Membership to Strengthen UK-Cambodia Education & Business Relationships

BritCham was honoured to participate in this evening's Welcome Home Reception for Chevening scholars at the British Ambassador's Residence in Phnom Penh.

Chevening Scholarships are prestigious international awards funded by the UK government through the Foreign, Commonwealth & Development Office (FCDO) and partner organizations. These scholarships support outstanding emerging leaders from around the world, including Cambodia, in pursuing a one-year master's degree at any UK university.

During the reception, Mr. Martin Darby, Executive Director of the British Chamber of Commerce (BritCham), extended congratulations on behalf of BritCham's Directors and Members to the twelve (12) Cambodian scholars who recently completed their studies in the UK. He emphasized the vital role young professionals play in strengthening business ties between the United Kingdom and Cambodia.

To support British university alumni, BritCham is introducing a special membership program for recent graduates. Any graduate from a British university, including De Montfort (DMU) Cambodia, who has completed their studies within the past five years is now eligible for a one-year BritCham membership at a highly subsidized rate of just \$25. This initiative aims to help young professionals network with business leaders, attend BritCham seminars at member rates, and explore career opportunities with British companies in Cambodia and Cambodian businesses with UK connections.

As a special gesture, BritCham is waiving the annual membership fee for this year's 12 returning Chevening scholars who participate in the upcoming BritCham British Education Summit.

The **BritCham British Education Summit** will take place on Thursday, 27th February, at 2 PM at CamEd Business School. The event will be opened by H.E. Dominic Williams, British Ambassador to Cambodia, and will feature keynote speakers including Mr. Danny Whitehead (British Council Thailand) and Mr. Trevor Sworn (Executive Director, Enduring Consultancy). A panel discussion with education experts, moderated by Mr. Andrew Millar (Vice Principal, IDP Education), will also take place.

Tickets are still available. To reserve your spot, contact us via Telegram/Call: +855 [12323121](tel:12323121) or Email: director@britchamcambodia.org.09:34
